

# BulldogsBaseball.org calendar for an APPLE iPHONE

Under SETTINGS, select Passwords & Accounts.

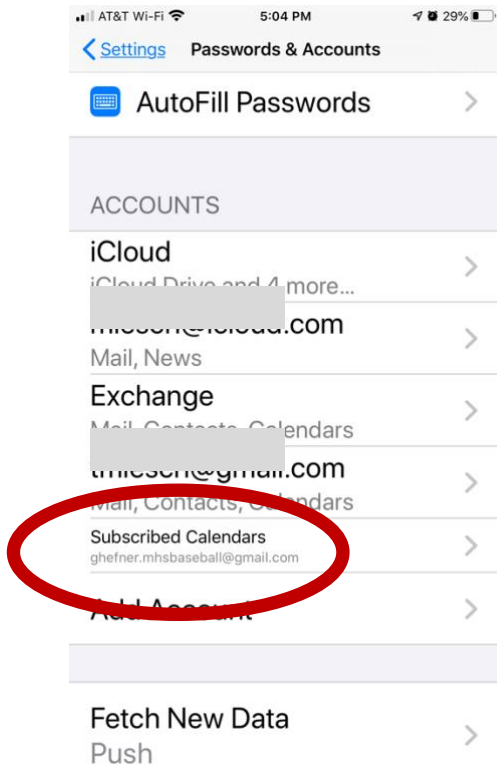

The server name is the ICS file found on the web at [bulldogsbaseball.com/schedule](https://calendar.google.com/calendar/ical/ghefner.mhsbaseball%40gmail.com/public/basic.ics) .

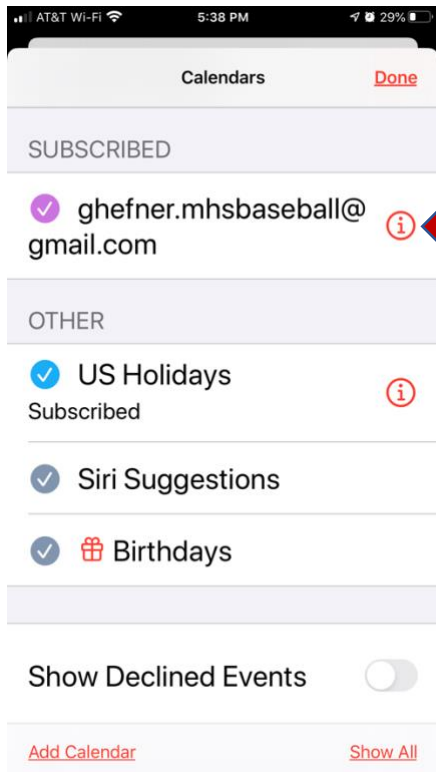

*<https://calendar.google.com/calendar/ical/ghefner.mhsbaseball%40gmail.com/public/basic.ics>*

Copy the link address from above OR from the webpage button and paste it into the Server box.

Click on the new Subscribed Calendar to edit the name.

To manage visibility and alerts, open the Calendar app on iPhone.

Click the “circle i” icon to change the calendar settings.

Toggle the Event Alerts ON to allow Bulldogs Baseball events to display alerts.
